- Select your school from the list and fill out your information
- Start watching, listening and learning!

Visit the new web site at [lawschool.courtroomview.com](http://lawschool.courtroomview.com)

*Turn over for more information on each product*

# CVN

Watch real courtroom video of thousands of hours of trials, proceedings and oral arguments from some of the biggest civil litigation! Show your students short highlights or entire sections.

**Check out our courtroom video to see:**

- Synchronized evidence presented at trial. If the courtroom sees a visual aid, you see it too!
- Jump to any part of the trial. Skip to openings, closings or also examination of specific witnesses

## AUDIO CaseFiles

A powerful way to learn the law.

Listen to professionally recorded MP3s of precedential judicial opinions. Use them to supplement your casebook or assign straight off our website!

**Each opinion includes:**

- Audio for download
- Brief fact summary
- Text of edited opinion
- Rule of law

**Choose from our subjects like:**

Constitutional Law, Contracts, Civil Procedure, Criminal Law, Criminal Procedure, Property, Evidence, Intellectual Property, Professional Responsibility, Torts and Corporations

## The Video Training Library

Learn effective litigation like never before!

View a library of real courtroom video clips highlighting various trial advocacy techniques with analysis. This is the first digital resource of it's kind!

**Watch courtroom clips to:**

- Show specific examples of courtroom etiquette and procedure
- Better prepare your students for moot court competitions and for mock trials
- Quick find clips for your class discussions fast with our logically organized library
