Turn over for more information on each product

Watch.

Watch real courtroom video of thousands of hours of trials, proceedings and oral arguments from high-stakes civil litigation!

Each courtroom video includes:

- Video player with pause, rewind and fast forward
- Synchronized evidence presented at trial

Check out our courtroom video to:

- See how seasoned attorneys craft their openings, objections, line of questioning and closings.
- Watch specific types of trials. Interested in medical malpractice? Products liability? Choose a practice area and get total access to the courtroom.

Listen.

A powerful way to learn the law.

Listen to professionally recorded MP3s of precedential judicial opinions. Download them to your computer, MP3 player or listen to them streaming online.

Each opinion includes:

- Audio for download
- Brief fact summary
- Text of edited opinion
- Rule of law

Listen to our audio opinions to:

- Search for your assigned cases by your casebook title or by subject, like Con Law or Civ Pro.
- Be better prepared for class with our cases table associated with your casebook. View all fact summaries and rules of law in one place!

Learn.

The Video Training Library

Learn effective litigation like never before!

View a library of real courtroom video clips highlighting various trial advocacy techniques with analysis. This is the first digital resource of it's kind!

Watch courtroom clips to:

- See how the best in the courtroom perform
- Prepare for moot court competitions and for mock trials
- Get ready for your professional career as a trial lawyer
